# ABOUT US

Atharva Group of Companies having its office in Nagpur started its operation in the year 1998. The Organization is a Private Limited Firm headed by Shri. Anant M. Londhe (CMD), involved in the construction Industry since 1990 and having exposure of more than 32 YEARS in various projects viz. Housing, Public Buildings, Water Treatment plants, ETP, all types of Civil Engineering & Infrastructural Development projects, Industrial Buildings, PEB Shed, Civil work for Steel Plants & Power Plants. Company has own setup for Stone Quarrying, Stone crushing, Fly Ash bricks manufacturing, RMC Plant, logistics & Earthwork fleet. Till Date we have completed civil works of more than 500 Crores of various natures in last 25 years. As on date Civil Construction Projects worth 50 Crores are under Execution.

*“We don't just offer consultation services, we take ownership of projects through the online project lifecycle. you won't need to worry about a single detail.”*

**CMD - ANANT M. LONDHE**

## CHAIRMAN MESSAGE

“As Chairman of ATHARVA GROUP, I've had the privilege of steering our construction business through 25+ years of innovation and excellence. We're not just building structures; we're crafting landmarks and reshaping the industry. With a booming Indian construction as our playground, our vision is clear: to grow positively through supreme mega projects that make heads turn and hearts race.”

*“Thank you for being part of our exciting journey!”*

# MISSION

To be India's Premier Industrial Construction Company & shall strive to achieve excellence in Infrastructural projects through delivering Quality & maintaining time schedule with safe working practices.

# VISION

## Business Ethics

We Believe in Integrity, Honesty, Fair working, Continuity & Dedication.

## Safety

Thriving to keep our people safe while working and to create a healthy environment Project at sites.

## Quality

We believe, our client deserves the best quality of construction at a reasonable price.

## People

To inspire the staff to expand their horizon with continuous development creating opportunities, rewarding career & to be the employer of choice in construction industry.

## Culture

We believe in Teamwork and developed collaborative work environment, where openness is encouraged.

## Relationships

We have developed positive long term relationship with our customers, colleagues, Sub-contractors, suppliers, vendors that are built on trust & a win-win situation to all those involved.

## Innovation

We are always ready to listen, learn & seek out the best ideas. We are trying continuously to improve on work practices. We have incorporated mechanized working practice.

## Building Trust

We make commitments responsibly and always keep our word. "We Mean Business" but humanity & values are at Forefront.

## Values

We treat our people with Respect, Dignity and Believe in assigning responsibilities with desired authority.
